

## In response to the COVID-19 Pandemic situation, SHANPU's operation notice

As the COVID-19 continues to impact our communities nationwide. We wanted to take a moment to share what the SHANPU will look like for the next couple of weeks, and more importantly, what happen with your open order.

On May 19<sup>th</sup> the Taiwan CECC (Central Epidemic Command Center) announce “CECC raises epidemic warning to Level 3 nationwide from May 19 to May 28; strengthened measures and restrictions introduced across Taiwan to reduce community transmission” \*, SHANPU running as normal. If not drop down the number of indigenous COVID-19 cases in coming weeks, CECC might raises epidemic warning to Level 4, lockdown the city. SHANPU have to continue to abide by and cooperate with Level 4 epidemic prevention and control measures. SHANPU is a professional Push Button switches manufacturer in Taiwan. SHANPU's products are manufactured in Taiwan. All employees are an indispensable part of us. In order to ensure the health of employees and common epidemic prevention, SHANPU complies with the regulations of the CECC. If open order cannot be completed on time, it will be postponed according to the situation. Please forgive me for the inconvenience.
